OFFERING YOU THE BEST SELECTION AT THE BEST PRICES IN THE INDUSTRY

Jameco is celebrating 35 years in the electronic components business. Since 1975 we've been sourcing, stocking, and supplying our customers with quality products that has grown to more than 50,000 SKUs today. But, what we think really sets us apart is our ability to design real service into every transaction.

THE PRODUCTS

It's Stocked!

We carry over 50,000 of the most popular products and if we don't stock it... be assured we'll find it. We carry over 600 different brands and while others can't show you brand alternatives, we make it part of the Jameco difference.

- Name Brands
- House Brands
- Factory Overruns

Customized Solutions

We source hard to find products and we can custom design and modify products to your specifications.

THE PRICE

Low-Price Guarantee

- Pricing below our competition
- Quantity price breaks on everything
- Aggressive bidding on large deals.

Price Matching

Jameco will beat advertised pricing for stocked products up to Jameco's cost.

Credit

We are happy to extend credit to our corporate customers and have surprised many with our flexible credit terms.

Discount Program

For customers that can make quarterly volume commitments, we'll guarantee discounts across the board.

THE COMMITMENT

It's the People

The average tenure of a Jameco employee is over 9 years. We bring a level of dedication and professionalism others can't touch.

It's the Program

We stand behind what we sell and we'll jump through hoops to meet our customer commitments. When our customers say it's urgent, we're willing to bend the rules.

- Stock to your forecast
- Reserve inventory (JIT)
- Offer the industry's longest warranty

It's the Team

Our sales team is trained to be the customers' internal champion. You are not just another number. Our customers always have top access to our Jameco management team, and they are always available to take your call. Call us today!
