

## Declaration of REACH Compliance Statement

REACH concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (EC1907/2006) has entered into force on 1 June 2007, and will be phased in until 2018.

As of 25 June 2020, the ECHA had identified 209 "candidate" Substances of Very High Concern (SVHC).

It is anticipated that substances used in our products will be registered by raw material manufacturers within supply chain. Based on our own internal analyses, vendor supplied analyses, we declare that Cable and Power supply cord products, and their packaging, do not contain any of these SVHCs in any concentration above 0.1% except for plug's pin(brass rod)-6(c) and supplementary protector(electrical contacts)-8(b).
