It is taking and will take due diligence within our supply chain to assure "DRC Conflict-Free" for the metals of gold (Ag), tantalum (Ta), Tungsten (W), cobalt (Co) and tin (Sn) are not derived from or sourced from mines in conflict areas of the Democratic Republic of Congo (DRC), or illegally taxed on trade routes, either of which are controlled by non-governmental military groups, or unlawful military factions. Trade routes are not confirmed to be "Conflict Free" included direct exports from the DRC, as well as exports through Rwanda, Uganda, Burundi, Tanzania and Kenya (countries of who the U.N. Security Council note are global export routes for DRC-mined minerals).

We would like to confirm metals used in products sold to customers are "DRC Conflict-Free"
