## RoHS Declaration of Conformity

| Our Part Number(supplier) | Your Part Number(customer) | Exemption claimed (if any) |
|---------------------------|----------------------------|----------------------------|
| 163855                    | 163855                     |                            |

<GOLDSUN ELECTRONICS CO., LTD> hereby declares that the products listed above are compliant with:

- the Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment
- and the Commission Delegated Directive (EU) 2015/863 of 31 March 2015, amending Annex II to Directive 2011/65/EU as regards to the list of restricted substances.

The presence of hazardous substances in each homogeneous material of the above item(s) does not exceed the permitted level as required by Annex II of the RoHS Directive as stated below:

| Substance                             | Limit (% by weight per homogeneous material) | Notes             |
|---------------------------------------|--|-------------------|
| Cadmium (Cd)                          | < 0.01%                                      |                   |
| Lead (Pb)                             | < 0.1%                                       |                   |
| Mercury (Hg)                          | < 0.1%                                       |                   |
| Hexavalent chromium                   | < 0.1%                                       |                   |
| Polybrominated Biphenyls (PBB)        | < 0.1%                                       |                   |
| Polybrominated Diphenyl Ethers (PBDE) | < 0.1%                                       |                   |
| Bis(2-ethylhexyl) phthalate (DEHP)    | < 0.1%                                       | Added by 2015/863 |
| Benzyl butyl phthalate (BBP)          | < 0.1%                                       |                   |
| Dibutyl phthalate (DBP)               | < 0.1%                                       |                   |
| Diisobutyl phthalate (DIBP)           | < 0.1%                                       |                   |

This declaration is based on the testing of components and materials used in the manufacturing process to IEC 62321 standards or examination of component certificates or data.
